BRUNSWICK COMPANIES TAKES THE HEADACHE OUT OF MANAGING YOUR INSURANCE

Our goal is to become your "Chief Risk Officer"

Brunswick Companies has over three decades of experience in providing a comprehensive range of insurance and risk management services. We understand that providing a solution to your needs goes well beyond delivering a policy – it is based on designing a customized program to manage your exposures. Whether your business is a sole proprietorship or a corporation with global operations, we will design an insurance program that fits your specific needs.

More than just putting your insurance "out to bid," Brunswick Companies will:

- Get to know your business.
- Analyze your prior claims history in order to identify opportunities to lower your insurance costs by:
 - Reducing premiums through partial self-insurance and self-insurance
 - Minimizing losses through claims management services
- Provide an objective assessment to help you understand the nature of the risks you face and to quantify those risks. Our specialists have the "know how" to thoroughly analyze the effectiveness of your current insurance risk management strategy. We are experienced in providing the complete spectrum of commercial coverages:
 - **Automobile**
 - **Aircraft**
 - **Commercial General Liability**
 - **Commercial Excess**
 - **Contractor's Equipment Floater**
 - **Directors and Officers Liability**
 - **Employee Dishonesty/Crime**
 - **Employment Practices Liability**
 - **Fiduciary Liability**
 - **Foreign Exposure**
 - **Office Contents**
 - **Product Liability**
 - **Real Property**
 - **Transportation/Cargo**
 - **Valuable Papers**
 - **Workers' Compensation**
- Provide a wider range of solutions for your insurance needs, including both traditional and custom products. As underwriters, we can tailor your insurance specifications to fit the risks you face and design a custom program to fit your specific needs.
- Match your needs with the best providers available. We can simplify the task of comparing offerings from a wide array of insurance carriers and brokers. We have the experience to guide you step-by-step, from securing multiple quotes to finalizing the selection process.
- Write your insurance program to maximize your coverage at the lowest premiums on the market.
- Remain dedicated to an ongoing relationship after your coverage is in place.
