

## PERSONAL INSURANCE

### ***MAXIMIZE YOUR PROTECTION WITH A CUSTOMIZED INSURANCE PROGRAM***

*Our top  
priority is to  
provide the  
peace of mind  
that comes  
from knowing  
that your  
family's assets*

Brunswick Companies couples a dedication to exceptional customer service with over three decades of experience in insurance risk and claims management to provide customized insurance solutions for our clients. Our senior staff is comprised of industry-recognized specialists with in-depth experience in coordinating your business and personal coverages. The end result is a cost-effective program tailored to your family's individual needs.

#### ***An Objective Evaluation of Your Exposures***

We begin every relationship by taking the time to get to know you as a person and to understand your particular requirements. By analyzing your claims history and reviewing your deductibles, we can recommend an ideal balance between protecting your assets and protecting your loss history.

#### ***Customized Coverage***

Extensive underwriting experience allows us to customize insurance specifications in order to maximize your coverage. Our knowledgeable specialists will work with you to design a program tailored to your family's goals. We can coordinate your coverage to include:

- True replacement-value homeowners protection; we can provide a single-source solution for insuring multiple residences throughout the country
- Protection for fine art, collectibles and jewelry
- Customized agreed-value coverage for fine automobiles
- Coverage for watercraft (including yachts), motorcycles and recreational vehicles
- Excess liability coverage from \$1M to \$10M plus limits (subject to underwriting approval)
- Innovative products such as family protection policies (coverage against car-jacking, stalking or kidnapping)
- Protection from identity theft

#### ***Access to a Broad Array of Insurance Providers***

Next, we match your needs with the best insurance product and service providers available. We represent some of the finest insurance companies, providing the broadest array of insurance coverage available on the market today. We can simplify the task of comparing offerings from different insurance sources, and have the experience to guide you step-by-step, from securing multiple quotes to finalizing the selection process.

#### ***Making Every Insurance Transaction Easier***

But our job doesn't end when your coverage is in place – we are dedicated to an ongoing relationship, and continue to take an active role in managing your insurance. At Brunswick Companies we know that, whether you're renewing a policy or filing a claim, dealing with your insurance needs can be challenging and time-consuming. Our goal is to make every insurance transaction easier – to take the headache out of your insurance management.

An important part of our service is to provide a thorough review process at renewal, to ensure your coverage adapts to your changing needs.
